

**Professional Communication Articulation Agreement
between
Dakota College Bottineau and Valley City State University**

Introduction: This articulation agreement formally recognizes that Valley City State University (hereinafter VCSU) and Dakota College Bottineau (hereinafter DCB) are educational institutions which agree to work together to provide educational opportunities for the students of their institutions.

The Professional Communication major is an online program. Students do not need to take courses on the VCSU campus to complete this degree.

Purpose: The purpose of this agreement is to provide a seamless articulation of credits for students who earn an Associate in Arts or an Associate in Science Degree from DCB to transfer to VCSU in order to earn a Bachelor of Science or Bachelor of Arts with a major in Professional Communication from VCSU.

Steps:

1. Complete the DCB Associate in Arts or Associate in Science degree.
2. Apply to Valley City State University and declare the Professional Communication major.
3. Students must complete a minimum of 30 hours of upper level (300-400 level) credit to complete graduation requirements at VCSU. Students must complete 30 hours from VCSU.
4. Graduates under this program would earn a Bachelor of Science or Bachelor of Arts degree with a major in Professional Communication.

5. Note: The Bachelor of Arts degree requires completion of a 16 credit Language/Cultural Studies block. There may be remaining upper division general education requirements to complete after transferring to VCSU.

Motivating Principles and Values:

1. Students will be well served by the partnership and the high quality program offered through this agreement.
2. This partnership will benefit the educational needs of the region by providing graduates of high quality.
3. Both campuses seek to maintain compliance with state and national accreditation guidelines to ensure quality.

Accreditation: VCSU is accredited by the North Central Association of Colleges and Schools--The Higher Learning Commission (HLC); The National Council for the Accreditation of Teacher Education (NCATE); and approved by the State of North Dakota Education Standards and Practices Board (ESPB). DCB is accredited by the North Central Association of Colleges and Schools – The Higher Learning Commission (HLC).

Longevity of Agreement: This agreement will be in effect for five (5) years, starting January 1, 2015. At the end of the five (5) years, students who have begun the program and are in the process of completion will be allowed to finish (within a one or two year timeline). Agreement will be reviewed annually to reflect changes in curricula and campus procedures and policies.

Termination or Revisions: DCB and VCSU agree to provide at least 90 days advance written notification of their intent to terminate the agreement. All revisions of this agreement must be approved in writing by those who sign this agreement or their successors.

Governance and Management: This agreement shall be governed by the academic policies and procedures of DCB and VCSU. As required by the condition of the program and accreditation, the Bachelor of Science (or Arts) Degree in Professional Communication will be governed by the Communication Arts Department at VCSU. Conversely, the AA or AS degree will be administered by DCB as required by the guidelines.

VCSU agrees to arrange for a Program Representative to be available to advise Professional Communication students in the program each semester.

Both Valley City State University and Dakota College Bottineau will provide a liaison that will be available to inform and guide students through this program.

VCSU agrees to grant a Bachelor of Science or Bachelor of Arts with a major in Professional Communication to students who successfully complete the requirements for the degree.

It is agreed upon that DCB will provide general education courses, supplementary curriculum, and elective courses which satisfy VCSU graduation requirements for students enrolled in this program.

All non-education majors must complete a minor.

As part of VCSU graduation requirements, students must develop a digital portfolio that illustrates the best evidence of meeting the abilities and skills requirements for their degree. VCSU recommends students enroll in the appropriate Senior Portfolio course for 1 semester credit to assist them in developing their digital portfolio.
