Students will also understand how to utilize these new ideologies and tools to their benefit, as well as the benefit of the world and society as a whole.

### **Classroom Policies:**

**Absences and Assignment Due Dates:** If a student must miss class, he/she must contact the instructor within 24 hours of the class period. Late assignments will be docked 10% per day late. This is the policy for all assignments in all circumstances. If you email me an assignment, you will get a reply from me to verify that I have received the assignment. If you do not get a

receipt from me, I did not get the assignment. It is your job to ensure that I have received the assignment, so if you do not get a response from me within 24 hours of submitting your assignment by email, you need to resend the email. The assignment continues to lose 10% per day during this time.

**Tests:** All tests should be completed on the day that they are given. If you are unable to take the test the day it is given in class, you must make up the test within 72 hours or a grade of 0 will be entered. Make-up exams will only be allowed if you have made arrangements with me previous to taking the exam within the 72 hour time period.

Attendance and participation is expected. Ten percent of your grade is based solely on attendance and participation. You are responsible for the activities of each class period. If you know of a conflict ahead of time, you are welcome to submit assignments early.

**Electronic Devices:** Silence cellular phones, pagers, CD players, radios, and similar devices in the classroom and laboratory facilities. Reasonable laptop-size computers may be used in lecture for taking notes. If this is an IVN course, cell phone must be turned off at all times in class!

This class will be a place where all thoughts are welcome, no one fears sharing their opinion, and minds are open to new ideas. You have all EARNED the opportunity to be here by completing the same criteria, thus making you equals. As emerging leaders, you are expected to show respect for each other's differences. Conflicting opinions are part of life and will create dynamic discussions. The instructor reserves the right to end these discussions and the participants will agree to disagree.

It is your responsibility to keep all assignments that are graded and handed back to you. In the case of a grade dispute, it is the student's responsibility to provide past assignments to confirm grades.

The syllabus is a living document that is subject to change. All assignments will be confirmed during the class prior to their due date. The instructor reserves the right to allow the class agenda to fluctuate as the course progresses.

### **Academic Integrity:**

**Plagiarism:** To plagiarize is to "steal and pass off the ideas or words of another as one's own" (*Webster's Dictionary*). **Plagiarism will not be tolerated in this course.** When completing a research paper, it is necessary to cite all information gathered from other sources - including direct quotations and paraphrases - within the text of the paper using parenthetical notes at the end of the documents in a works cited list. A handout regarding the MLA guidelines is available at the writing center if you would like further information. Students are expected to follow MLA guidelines for the research paper. If you have any questions - please contact myself or go to the learning center for more information. **Students found plagiarizing material will receive a "0" for the assignment.**

**Cheating:** Cheating will not be tolerated. Any student found to be cheating will receive a 0 on the assignment, an additional incidence of cheating will result in the student being dismissed from the course.

**Disabilities and Special Needs:**
