

Finding Library Materials

The DCB Library uses an online catalog called "ODIN" that can be accessed in the library or off-campus. When you go to the DCB website, click on "Library" on the top of the home page. That will bring you to the library's website at http://www.dakotacollege.edu/current_library.shtml

The screenshot shows the top portion of the Dakota College at Bottineau website. At the top right, there is a navigation bar with links: [contact us](#) | [webmail](#) | [library](#) | [ECH](#) | [faculty and staff](#) | [connectND](#) | [home](#). A red arrow points to the "library" link. Below this is the college logo, which consists of two green pine trees and a brown path leading to the text "DAKOTA COLLEGE AT BOTTINEAU". To the right of the logo is a search bar with a "Search" button and two radio buttons: "Search DakotaCollege.edu" (selected) and "Search All Web". Below the logo and search bar is a green navigation bar with white text links: [About](#) | [Academics](#) | [Admissions](#) | [Athletics](#) | [Bookstore](#) | [Student Life](#) | [Financial Aid](#). Below the navigation bar is a large banner area. On the left side of the banner, there is a vertical menu with four categories: "Future Students", "Current Students", "Online Students", and "Alumni", each accompanied by a small thumbnail image. On the right side of the banner, there is a large image of a football player in a red jersey and blue helmet, catching a football.

Next, you need to click on "Find Books," which will bring you to the following page:

Search History | Advanced Search | Search Tips | Ask a Librarian | FAQs

Type in the title of the book or subject you are searching for. You will get a page with its results.

The screenshot shows the library's search interface. At the top left is the Dakota College at Bottineau logo. A search bar contains the text 'energy crisis'. Below the search bar are navigation links: Home, Advanced, Classic CDIII, My Account, and a Language dropdown menu. A dropdown menu below the search bar shows 'Dakota College at Bottineau Library'. The search results section shows 'Showing 1 - 12 of 12 results for energy crisis' and 'Sort by: Relevance'. On the left, there is a 'Refine your search' sidebar with categories: Topic (Environmental protection (3), Energy policy--United States (2), Environmental policy (2), Global warming (2), Alternative lifestyles (1), more...), Format (Book (11), Nonfiction (11), Print Book (9), Electronic Book (2), Electronic Resource (2), more...), and Sub-Library (Dakota College @ Bottineau Lib). The main results area lists two items. The first item is 'U.S. energy policy : crisis and complacency' by Don E. Kash, published by University of Oklahoma Press in 1984, located at Dakota College @ Bottineau Lib General Collection Stacks, call number 333.79 K151u. The second item is 'The revenge of Gaia : earth's climate in crisis and the fate of humanity' by James Lovelock, published by Basic Books in 2006, located at Dakota College @ Bottineau Lib General Collection Stacks, call number 577.276 L944r. Both items are marked as 'Available' and have format options for Print Book, Book, and Nonfiction.

Each item will list the title, author, publisher, where it is located, its call number, its format, and if it is available.

This block provides a detailed view of the search result for 'The revenge of Gaia : earth's climate in crisis and the fate of humanity'. The book cover is shown on the left. The title is highlighted in blue. The author is 'Lovelock, James, 1919-'. The publisher is 'Basic Books, 2006'. The location is 'Dakota College @ Bottineau Lib General Collection Stacks'. The call number is '577.276 L944r'. The item is marked as 'Available'. Below the call number, there are format options: Print Book, Book, and Nonfiction. Two black arrows point to the title and the call number.

For example, the book listed above can be found in our library's general collection area, which is on the west side of the library.

Its call number is 577.276. Its cutter number is L944r. Each of our library items will have the call number and cutter number on its spine so you can locate the item. If you need assistance, ask at the Circulation Desk.

If our library does not have the item you are looking for, you can search other libraries in North Dakota by using the pull-down menu on our ODIN site. The pull-down menu contains a list of all of the ODIN libraries in North Dakota. At the top of the pull-down menu is the link to "All Libraries."

The screenshot displays the ODIN search interface. At the top, there is a navigation bar with links for Home, Advanced, Classic ODIN, My Account, and a Language dropdown menu. Below this is the search bar with the text "energy crisis" entered, a dropdown menu set to "All Fields", and buttons for "Find" and "Clear". A second dropdown menu below the search bar is set to "All Libraries", with a black arrow pointing to it from the right. On the left side, there is a "Refine your search" section with two categories: "Topic" and "Format". Under "Topic", there are links for "Energy policy--United States (109)", "Power resources (51)", "Power resources--United States (47)", "Energy policy (36)", "Petroleum industry and trade--United States (33)", and "more...". Under "Format", there are links for "Book (555)", "Nonfiction (551)", "Print Book (421)", "Government Publication (111)", "Microform (77)", and "more...". The main search results area shows "Showing 1 - 20 of 609 results for energy crisis" and a "Sort by: Relevance" dropdown. Below this is a pagination bar with numbers 1 through 11 and "Next » [31]". Two search results are visible. The first result is titled "The energy crisis" and is an audiocassette. It was published by Encyclopedia Americana/CBS News Audio Resource Library in 1973, located at Jamestown - Raugust Library Cassette in Reading Room, with call number 973.92 V831, Jul.1973, no.1. The second result is also titled "The energy crisis" and is a print book. It was authored by Szulc, Tad, published by Watts in 1978, located at North Dakota State Library General - Basement - Ask at Desk, with call number HD9502.U62 S98 1978. Both results are marked as "Available".

Notice the two items that are listed can be found in the Jamestown College's library or at the State Library.

You can then order the book through our Interlibrary Loan (ILL). Click on the item you wish to order.

The screenshot shows the ODIN library website interface. At the top, there are navigation links: Home, Advanced, Classic ODIN, My Account, and Language.
