Business Process Integration Management

Articulation Agreement

between

Dakota College Bottineau and Valley City State University

Introduction: This articulation agreement formally recognizes that Valley City State University (hereinafter VCSU) and Dakota College Bottineau (hereinafter DCB) are educational institutions which agree to work together to provide educational opportunities for the students of their institutions.

The BPIM major is an online program. Students do not have to attend any courses on the VCSU campus to complete this degree.

Purpose: The purpose of this agreement is to provide a seamless articulation of credits for students to earn an Associate in Applied Science Degree in Advertising and Marketing from DCB to transfer to VCSU in order to earn a Bachelor of Science or Bachelor of Arts in Business Process Integration Management (BPIM) from VCSU.

Steps:

1. Complete the DCB Associate in Applied Science degree in Advertising and Marketing.
2. Apply to Valley City State University and declare the Business Process Integration Management major. Transfer credits earned from the DCB AAS degree will apply toward the Bachelor of Science or Bachelor of Arts degree.
3. Students must complete a minimum of 30 hours of upper level (300-400 level) credit from VCSU to complete graduation requirements from VCSU.
4. Graduates under this program would earn a Bachelor of Science or Bachelor of Arts degree in Business Process Integration Management.

Note: The Bachelor of Arts degree requires completion of 16 additional credits of Language/Cultural Studies beyond the Bachelor of Science degree requirements. There may be remaining general education courses to complete after transferring to VCSU. The AAS degree is not included in the NDUS GERTA agreement.

**Motivating Principles and Values:**
1. Students will be well served by the partnership and the high quality program offered through this agreement.

Agreement will be reviewed annually to reflect changes in curricula and campus procedures and policies.
