Grading Scale

Grading Methods
Daily Work
Final Project

S/U

Grades will be calculated by dividing total points earned by to   n assigned work.

Course Outline:

- Movie Maker Interface
- Digital Image and Video File Terminology
- Creating and Managing Collections
- Customizing Collection Views
- Customizing Movie Makers Panes
- Setting Project Defaults

General Education Goals/Objectives: n/a
Relationship to Campus Theme:

Technology: The course focuses on knowledge and application of technology

Classroom Policies:

⇒ Students are required to complete all class activities.

⇒ Attendance is required. Exceptions may apply when students are excused because of a school function or if an emergency arises. Arrangements must be made with the instructor prior to class time.

⇒ Assignments are due at the designated time, even if you will be or were absent. .

⇒ Bring a positive, cooperative attitude to class each day.

⇒ Using the computer for gaming, chatting or activities other than the program required for class is prohibited. People who do so may be asked to leave the classroom.

⇒ Turn off cell phones and other electronic devices, as they are distracting to everyone in the room.

Academic Integrity:

Students are responsible for submitting their own work. Students who cooperate on oral or written examinations or work without authorization share the responsibility for violation of academic principles and the students are subject to disciplinary action even when one of the students is not enrolled in the course where the violation occurred. (Student handbook p.19)

⇒ Students will receive no credit for work that fails to meet standards of academic integrity.

⇒ If a person participates in academic dishonesty more than once, the result will be an F for the course.

Disabilities and Special Needs: If you have a disability for which you need accommodation, contact me within the first week of the semester. Learning Center disability support services are available also: phone 701-228-5477 or toll-free 1-888-918-5623.
