

Dakota College at Bottineau Course Syllabus

Course Prefix/Number Title: ENGL 262-American Literature II

Course Description:

A course that provides a student with a more in depth view of selected United States writers than time permits in the regular survey course. Students in honors American Literature will read works beyond those in the ENG 262 survey course, and while the same general objective will govern the course, the student will achieve a broader understanding of how those objectives play out in additional works.

Pre/Co-requisites: ENGL 262- American Literature II

Number of Credits: One

Course Objectives:

To discuss important themes in United States literature

To learn about major United States writers and their works

To analyze literature as it is affected by and affects U. S. history

To analyze and write about United States literary themes and works

To analyze and discuss how diverse groups affected and were affected by the American Dream.

To study additional selected author's works in depth

Instructor:

General Education Goals/Objectives:

None

Relationship to Campus Theme:

American Literature considers technology and nature, but they are not a major focus. Human nature and writers' reactions to the human condition are at the core of American Literature II.

Classroom Policies: Grading

Grades S/U

Academic Integrity:

All assignments, tests and quizzes will meet the standards of accepted Academic Integrity.

Disabilities and Special Needs:

Students with disabilities or special needs must inform the instructor of those needs as soon as possible.
