

Math 102 Intermediate Algebra

Text: Intermediate Algebra by Robert Blitzer

Material: Chapters 1, 2, parts of 3 and 4, 5, parts of 6 and 7, 8 except for 8.5, 10 except 10.5, part of Chapter 11 if time permits

Instructor: Dr. Preston Bush, McCarthy 160, 845-7151; office hours will be announced soon

Grading: The grade will be determined from:

- (a) three hourly tests
- (b) final exam, worth half the total points for the course if you score above your average and worth only one test otherwise
- (c) homework and any quizzes are worth one half of a test altogether
- (d) optional projects that I approve and that are successfully completed are graded as 100% valued at one-fourth of a test
