

Scholarship Application

Office use only:

Scholarship funds are generated by contributions made to the Dakota College at Bottineau Foundation from alumni, individuals, families, businesses and organizations for the purpose of funding financial awards to students that help defray educational expenses. Scholarship recipients are required to enroll as a full-time student, which is defined as 12 or more credit hours per semester.

Awards are made on a “rolling” basis, which means the scholarship committee will meet to make awards as applications are received. Therefore, students are encouraged to turn in their applications as soon as possible.
