April 12, 2018 at 3:00 pm – TH 2211

PRESENT: Mike Porter, Larry Brooks, Hattie Albertson, Alex Abrahamson, Steve Sathre, Nathan Biggerstaff

NOT PRESENT: Sandy Hageness

The committee met with departments to review the Spring OATF Service Area Assessment Reports

Business Office – Lisa Mock

- Business Office analysis will go on into December
- By December 2018 the Business Office will have met with all of the departments on campus to discuss departmental budgets
- Meetings include ascertaining what is working the departments' budgets and what is not working, as well as strategies to remedy issues departmental heads feel are not going well.
- Lisa feels that people need an education piece illustrating basic information about how appropriated money works – it comes from the government, excess cannot be rolled over to the following year if not spent.

Dean's Office – Dr. Jerry Migler

Objective is to determine any differences between the retention and graduation rates of DCB student athletes compared to the overall student population. Will need to improve process for identifying student athletes and begin reviewing this data annually. This year establishes a baseline. This will be a four year project to help students finish.
