

Career & Technical Credential

issued by

**North Dakota Department
of
Career and Technical Education**

Wayne Fahy

Having furnished satisfactory evidence and having been approved
by the Department of Career and Technical Education,
is hereby qualified in the following:

EMT Paramedic

July 1, 2018 – July 1, 2023

Validation Period

Postsecondary Regular

Type of Credential

State Director

The requirements for this credential are approved by the State Board for Career and Technical Education and this credential is valid for the period indicated unless cancelled by authority of said Board.

The CTE Credential does not take the place of the license required to teach in North Dakota public schools. Such licenses are issued by the Education Standards and Practices Board.
