Relationship to Campus Theme: Dakota College at Bottineau emphasizes nature, technology and beyond as a focus for the unique blend of courses and programs offered here. This course will emphasize the use of technology and prepare students for the future use of computers, hardware and software.

Classroom Policies:

- **Assignments:** All assignments are due on the specified due date by 11:59pm CST. All assignments are due before the final project is completed.
- **Academic Integrity:** Plagiarism and cheating are serious offenses and may be punished by failure on exam, paper or project; failure in course; and/or expulsion from the university. For more information, refer to the "Academic Dishonesty" policy in the university catalog or the student handbook online: <http://www.dakotacollege.edu/pdf/studenthandbook.pdf>

Student Email Policy: Dakota College at Bottineau is increasingly dependent upon email as an official form of communication. A student's campus-assigned email address will be the only one recognized by the campus for official mailings. The liability for missing or not acting upon important information conveyed via campus email rests with the student.

Disabilities and Course Adaptations: If you need any accommodations or materials in alternative formats, please let me know immediately. If you have already met with Student Development personnel, please provide me with information regarding your needs as soon as possible so that I can make appropriate accommodations.
