Online class

Keys to Effective Communication

If you often find yourself at a loss for words or lack confidence in your communication abilities, you will appreciate this course. Each lesson works through the step by step process needed to become a great conversationalist. You will learn to use communication to build rapport and create environments of trust, warmth, and respect. Become more confident, create a great first impression, get along well with others, and create more and better personal and professional relationships.

Start Date: August 17

Cost: \$95

Online class

Web Design Value Suite

Creating Web Pages

Create and post your very own website using HTML! First, you'll learn about the capabilities of the World Wide Web and the fundamentals of web design. Then, you'll plan the content, structure and layout of your website, create pages full of neatly formatted text, build links between the pages and to the outside world, and add color, backgrounds, graphics, and tables. You'll also learn powerful no-cost or low-cost web marketing strategies.

Start Date: August 17

Cost: \$299
