## ONLINE CLASSES

### APRIL 2020

#### DRAWING FOR THE ABSOLUTE BEGINNER

If you've always been interested in drawing but don't really know how to get started, then this is the course for you. Gain a solid foundation and understanding of the basics of drawing and become the artist you've always dreamed you could be!

**Technology Requirements:** PC or Mac computer

**Start Date:** April 15 (6 weeks long)

**Instructor:** Chad Walker is the conceptual designer and artist of several award-winning games, including "Age Of Empires," "Age of Kings," and "Age of Conquerors." He attended the Joe Kubert School of Cartoon and Graphic Arts Inc. and has worked as a computer game artist, comic book illustrator, and instructor. He teaches both traditional art courses and courses in 3D modeling for computer games. Walker co-wrote the popular gaming book "Game Modeling Using Low Polygon Techniques" with his twin brother Eric. They are the co-founders of Walker Boys Studio, which produced the highly acclaimed "Civil War: War Between the States."

**Cost:** \$95

#### HANDLING MEDICAL EMERGENCIES

If a member of your family suffered a medical emergency, you could certainly call for trained emergency medical responders, but what would you do while you're waiting for them to arrive? Every second counts during a medical emergency.

**Technology Requirements:** PC or Mac computer

**Start Date:** April 15 (6 weeks long)

**Instructor:** Bryan Scyphers has provided emergency medical care for over 35 years. He also has experience in sports medicine, having worked trainer for the San Francisco Giants and for Virginia Tech's football team. Scyphers holds bachelor's and a master's degrees in education. He has taught pre-hospital emergency medicine at the college level for many years, and has trained hundreds of Emergency Medical Technicians and Paramedics.

**Cost:** \$95
