

## ASC 92 Algebra Prep II online – Course Schedule

Each week there is a discussion to participate in (see syllabus for details). For regular homework, each section in the course includes a video lecture with accompanying notes. These videos are how you will learn the material. Weekly assignments are due each week by Sunday night at 11:59 pm (CDT).

Students are encouraged to complete the work well in advance.

WEEK	ASSIGNMENTS DUE SUNDAY @ 11:59PM
