Goals for the year

- Visiting hours to be revisited
- Gazebo plans. There is a budget for projects.
- Games room in the new student union. Would be a good idea to have student senate put their name on it every year with a new game. That way it is voted on by current students to be games they are interested in at that time.
- Blackout volleyball in the fall
- An event from GL Berg Entertainment and Games Galore. One in fall and one in spring
- Winter Olympics
- Homecoming events

Committee Assignments

Connection Events

Main Event ideas for Fall and Spring

- Glow in the dark events from Games Galore
- Impersonator, magician show, or comedian from GL Berg Entertainment

Homecoming Events

- Dress up days
- Dance
- PTK may also be able to chip in for money and workers

Website Updates

- Laura will get with Jacob to get updates done on the page

Trunk or Treat

- Something we are willing to do?
- Yes and did like the baby shark theme idea

Food in Sodexo

- Kiara would like to serve on the committee because when there was a student voice things seemed to do better.

Student Complaints

- Instead of calling it complaints maybe comment boxes on campus and website to get student feedback on things that are good or can be changed and put them in order from there.
- Student voice on campus committees will be very important to keep things changing for the good of the students and the campus.

Regular meeting time

- Let's go Mondays at 2PM in the library.
- Could change if we get more students, but for now that time works for everyone
- Lexi will create a snap group for communication for the year, as it is hard when not everyone has iPhone.
- Next meeting will be Monday September 23rd

Kiara makes motion to adjourn at 3:00PM. Sarah seconds motion.

Meeting adjourned.
