There are funds available to provide vaccination incentives to students. NDSU is offering \$100 to students who are vaccinated upon enrollment and become vaccinated this fall. The incentive applies to all students that attend on-campus classes. It was agreed to offer the incentive at DCB, provided they can show proof of vaccination. The details will be finalized with the Campus Nurse.

There was no further business to address. The next meeting will be held Monday, August 23 at 8:00 am.

Respectfully submitted:
