		First District Health COVID testing is scheduled on campus for next Thursday – we will work with FDHU to provide nurses and others that can help with testing. Jim Falk hired as new GM will start August 24 th . Conducted training with his staff yesterday. Dr. Shirley will be on campus today for a walk-through.
4. Other	Migler	The funding for TRiO has not been renewed. Waiting for official notification. Most of the funding was used for salary and fringe benefits. To the extent possible, the College will look for other opportunities on campus for individuals. Although TRiO may be gone, DCB will need to have some combination of staffing for advising, or reassignment to other staff. Call was held with the COE last week. It appears as though funding was provided to only requests with a perfect score.
