

Outcomes Assessment Task Force
February 12, 2018 at 12:00 pm – McMaster

PRESENT: Mike Porter, Larry Brooks, Nathan Biggerstaff, Hattie Albertson and Sandy Hageness

NOT PRESENT: Alex Abrahamson and Steve Sathre

The committee met to review the Spring OATF Service Area Assessment Planning submissions.

Prior to beginning the review, Larry Brooks presented an action plan for Student Learning Assessment process from the LC Committee. As we gear up for the HLC Accreditation, it becomes increasingly important to improve upon the assessment of student learning.

General concerns identified along with a recommendation to address the issues. This plan would rotate all courses over four years with a department assessment on year five. Upon approval, the plan will be put into place fall 2018 with a department objective, mission statement and schedule due April 1, 2018.

The committee agreed to move forward with the recommendation. Larry will present at the Faculty Senate meeting this week.

Service Area Assessments reviewed:

- Residential & Student Life – approved with clarification of expected outcomes and clarification of a digital vs paper survey.
- Recruiting (Student Services) – approved
- Registration (Student Services) – approved
- Student Orientation (Student Services) – approved
- Athletics (Student Services) – approved Assessment Plan. Reporting Form also submitted. Questions will be addressed at presentation
- Enrollment Services (Student Services) – approved
- Dual Credit/Early Entry – approved
- TRiO - approved

The next meeting will be held on Friday, February 16 at noon to review the remainder of the service assessment reports.

Respectively Submitted:

Sandy Hageness
