

COMMUNITY EDUCATION

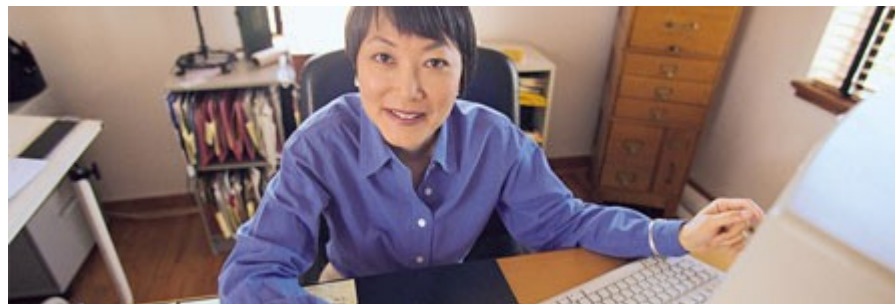

ONLINE CLASSES

JULY 2020

BEGINNER'S GUIDE TO GETTING PUBLISHED

Get your writing directly into the hands of an editor and on the shelves of your favorite stores. This course, taught by a successful journalist and author, will help you understand every step of the publishing process and how to give yourself the credibility publishers notice.

Technology Requirements: PC or Mac computer

Start Date: July 15 (6 weeks long)

Instructor: LeeAnne Krusemark is a journalist, published author, successful business owner, and adjunct professor. LeeAnne began her career in journalism, working as a reporter, then editor, then managing editor for various newspapers in New York and California. She is the published author of countless newspaper and magazine articles and two non-fiction books.

Cost: \$95

START YOUR OWN EDIBLE GARDEN

Grow delicious, nutritious fruit and vegetables in your own backyard. Whether you want to provide food for your family, save money, get exercise, or just be more self-sufficient, this course will give you the skills and knowledge you need to have a successful harvest.

Technology Requirements: PC or Mac computer

Start Date: July 15 (6 weeks long)

Instructor: Katie Powell-Lee has worked as a landscape designer for a range of projects from community parks to wetland development. Her work has been featured in many publications including "Tactical Operations and the Informal Settlement" and has been exhibited at the International Architecture Biennale Rotterdam. In addition, she volunteers as a garden educator teaching edible gardening to children at an urban learning farm. Powell-Lee received a Master of Landscape Architecture from the Harvard Graduate School of Design and a Bachelor of Arts from the University of Michigan.

Cost: \$95

REAL ESTATE INVESTING

Discover how to make money in real estate, even if you have little to start with. This course includes specially designed worksheets and hands-on activities to take the guesswork out of your investing in the real estate market.

Technology Requirements: PC or Mac computer

Start Date: July 15 (6 weeks long)

Instructor: Josh Fuhrer is a real estate investor and developer with over 15 years of experience in single-family homes, and multifamily and commercial properties. He runs his own real estate development company, focusing on development and asset management of nearly one million square feet of retail, office, and mixed-use projects. He holds a master's degree in Real Estate from Georgetown University, and a graduate certificate in real estate development from Portland State University.

Cost: \$95
