**Pumpkins in the Park**

I’m a little pumpkin pickedripe from the vine  
In need of a home please say you’ll be mine  
They’ve hid me in forestry park  
It’s high and seek time  
Oh where shall you look?  
Just follow the rhyme...  
Some are in branches and leaves  
In forestry park and hidden under the trees.  
If a pumpkin in orange, it’s yours to keep  
But if it is silver or gold, a reward you will reap  
So good luck to you and explore and roam  
Most important of all give a pumpkin a home!

When you find a silver or gold pumpkin  
Contact Linn Nero | 701-233-7665  
Or Brianna Ihle | 701-298-0120  
One pumpkin per day, please

- Who: Anyone
- Cost: $25/person
- Click here to register!

**Limited Spots Available!**

---

**Dakota Digital Discussion: Overlooked Security Challenges in Electric Vehicle Charging Infrastructure**

---

**Community Education Classes**

**Fundamentals of Supervision and Management**
If you’re someone who has practiced in the supervision and management position or wish to learn how to become a more effective manager, this course will help you improve the basic skills necessary for being an effective manager in your workplace. You will learn the skills required to delegate responsibility and evaluate your employees.
- Start Date: October 10, 2022
- End Date: November 7, 2022
- Click here to register!
Welcome Student Health Nurse

The Student Health Office, located in the Student Center, is excited to welcome Mary Gorder as the Student Health Nurse. Mary has over 20 years of experience in the field of nursing and is a great addition to the Student Services Team. She will be available to provide health questions and support.

Influenza Vaccines Available

The PN students will provide influenza vaccines to students, staff, and faculty on October 18th from 9:30 am—11:30 am and October 26 from 1:30—3:30 pm in the Academic Atrium.

BINGO for PTK

Staff Senate invites you to play Jacks Bingo in October to help raise money for PTK Scholarships. A word/letter will be drawn every two hours starting October 3rd and kept track in the Bookstore. Stop by to check your card daily. One BINGO per card. Multiple cards may be purchased. Buy a $1.00 or $5.00 bingo card at the bookstore for your chance to win. If not on campus we can email you a card.

Smoky’s Week

We are so excited to announce Smoky’s Week 2023, scheduled February 4-11. The committee is looking for senators and campus organizations to host events. If you would like to volunteer to help out or have an event you’d like to see active that week, please contact either Sandy Hageness or Laura Halvorson.

BBLC Trick or Treating

With Halloween right around the corner, BBLC kids would like to trick or treat again this year. This year they will have one group in the afternoon of the 27th, probably around 12:30 pm—1:00 pm, and then three groups on the 31st. Two in the morning starting around 9:30 am and then one group in the afternoon starting about 12:30 pm. Please let me know if you would like them to stop at your area and I will give BBLC a list of stops. Sandy Hageness #480

Annual Campus Presentation

Let’s Read...with DCB

On October 19 at noon and 7 PM in the Centennial Alumni Center in the Thacher Addition, Dr Linda Burbidge will speak about the history of agricultural policies and how we got to where we are today.

Dr Burbidge’s presentation illustrates concepts central to 40 Chances: Finding Hope in a Hungry World, the title chosen for DCB’s annual book read this year.

In 40 Chances, the author, Howard G. Buffett, explains the problem of food insecurity, the condition individuals, families, or communities experience when they do not know where their next meal may be found. According to 40 Chances, one billion people around the world experience food insecurity and that includes our neighbors in Bottineau, in North Dakota, and across the US. This year’s book read claims US food producers can eliminate food insecurity if agricultural policies and practices change. Dr Burbidge’s presentation will explain the past and present of agricultural policies.

This presentation is offered as part of DCB’s outreach to the community that supports this college and higher education in North Dakota. DCB students, staff, and faculty, and members of the community are encouraged to attend either or both sessions.

Welcome Student Health Nurse

Student Services is excited to welcome Mary Gorder as the Student Health Nurse. Mary started Tuesday, October 4, 2022. She joins DCB with a wealth of Nursing experience and will be a great addition to the Student Services Team. The Student Health Office, located in the Student Center, will be open every Tuesday from 8:00 am — 4:00 pm and welcomes students to visit with health questions. Please welcome Mary to DCB.

AFLAC Rep Available on Campus

It’s that time again, AFLAC 2023 Open Enrollment. Our AFLAC Rep, Cassie Loard, will be on campus meeting with employees on Tuesday, October 18th. Meetings will be in Holmberg. Contact Vonda Berg if you are interested in meeting with Cassie.

BBLC Trick or Treating

The Chamber of Commerce is hosting Trunk or Treat again this year on Friday, October 28th from 3:30—5:30 pm. Student Senate is entering a Mario Cart display. They would greatly appreciate any Halloween candy to donate to the event. The Chamber says they expect 400 kids. Please drop it by or contact Laura Halvorson with your donation.
