- New officers will be voted in next meeting as there are some new participants that were not in attendance to the meeting.
- Recruiting new members: There are a few spots left to fill, but numbers look good this year. Petitions were given out to new participants so they will be able to get the signatures needed before the next meeting.
- Diversity committee is asking for help with upcoming events. Although the members voted to the committee will have to be apart of the meetings and events other members may be asked to help out with that.
- Fall upcoming events: talked about dodgeball tourney or kickball tourney. Get teams and brackets prizes for winning teams.
- Will fill the last 2 committees with new members at the next meeting
- Alex would like to set up a Office 365 drive so everyone will have access to the minuets agendas and notes made during meetings

- Appeal to live off campus was approved. It is exciting to know that last spring the student senate voices were heard and gives homes for this upcoming year.
- Topics that would like addressed starts with extended hours in the student center. Mr. Brooks will be in regular attendance at student senate meetings so hopefully that will help that process move a little quicker.

Meeting moved to adjourn at 7:40 by Alex K and seconded by Vic and Quinn
