

Dakota College at Bottineau 2022-2023

- Terms and Conditions of License Contract for Residence Halls

- A. A total of \$50 nonrefundable application fee (payable to Dakota College at Bottineau) must be submitted with the room and board contract.
- B. Room Assignments – Residence hall and roommate preferences are honored if possible. Roommate requests must be mutual and are not guaranteed. Students wishing to room together should apply at the same time.

Completing the room and board contract is the initial process in applying for housing. Final confirmation of a hall and room assignment will follow. Admission to the College does not mean you have been assigned a room.

2. All full-time, unmarried students under the age of 21 who do not have dependents residing with them are required to live and board in university housing or live at home with their parents or legal guardians and commute to school.

3. License: The Residence Hall Contract creates a housing license agreement for the student to use campus housing and is not a lease. The relationship between Dakota College at Bottineau (DCB) and the student is that of a licensor-licensee and not that of a landlord-tenant. A license creates a privilege for you to use residential housing. As such, it will be at the sole discretion of the College, upon any violation of this license agreement, college housing policies, college regulations, or other applicable law, or if, in the College's sole discretion, the health, safety or general well-being of the resident or others is threatened in any way, the resident may be provided the opportunity to remedy the violation, may be immediately evicted and/or may be referred for disciplinary action. In the event a resident is provided the opportunity to remedy the violation and fails to do so to the College's satisfaction and within a reasonable time period, the resident may be immediately evicted and/or referred for disciplinary action.

In addition, residents agree not to hold responsible the College and its employees and agents from any claims or damages sustained by residents or others in their rooms as a result of acts or omissions relating to any changes or modifications made to rooms or furnishings.
