

PARAMEDIC PROGRAM APPLICATION PACKET

COURSE CONTENT

The Dakota College at Bottineau (DCB) Paramedic Program is rigorous and time demanding. There will be classroom sessions concurrent with both hospital and field clinical time and culminated by a capstone internship. During your paramedic education you will become certified in Advanced Cardiac Life Support (ACLS), Pediatric Advanced Life Support (PALS), and Pre-hospital Trauma Life Support (PHTLS). At the completion of your paramedic training, you will be eligible to sit for the National Registry of EMT's Paramedic Certification Exam.

COURSE DURATION

The program starts June, 2016 with anticipated completion August, 2017. The program runs continuously through the summer, fall, spring and summer academic semesters. **Students must successfully complete all courses each semester to progress into the next semester of class.** The student will be held to strict academic and attendance guidelines. Hospital and Field (Ambulance) clinical experiences are gained concurrently throughout the academic year with affiliated agencies.
