

Bottineau Community Rocks!

Tuesday, April 30th

6:00—7:00 pm

DCB Campus at Thatcher Hall
Alumni Conference Room

Come join us for this FREE event on the Dakota College of Bottineau Campus. Bottineau Community Rocks! is a community and family event for those interested in learning more about geology, minerals, fossils, crystals and more!

We meet once a month in the Alumni Conference Room in Thatcher to hear presentations and speakers, hear of exciting news in the geology realm, discuss our experiences and rockhounding tales, and share the love of geology.

Our topic for April is **COMMUNITY SHOW AND TELL**

Bring your stories, best finds, photographs, pieces you've made out of rocks—anything that you love about the hobby—bring it with you for this sharing event! We'll have time for all to share their favorite part of the hobby.

Maybe you make jewelry, or have neat finds from your fields—time to share and celebrate all that you love about geology!

Sponsored by—DCB Community Education and Bottineau Community Rockhounds
