SUAS INDUSTRY BOOTCAMP

Elevate Your Industry Skills with sUAS Technology

Are you ready to take your sUAS expertise to the next level? Join Dakota College at Bottineau for our immersive **Industry sUAS Bootcamp**, a dynamic program designed to equip professionals with the practical knowledge and hands-on experience needed to excel in the growing field of unmanned aircraft systems.

Key Dates

Participants must be available to complete the online workshop and attend our in-person workshop.

- **Applications Open:** February 3, 2025 (Space is limited – apply early!)
- **Registration Closes:** March 21, 2025
- **Pre-Workshop Curriculum Access Begins:** April 8, 2025
- **Hands-on Workshop Dates:** May 13–14, 2025
- **Post-Project Due:** June 13, 2025
- **Virtual Showcase:** June 17, 2025

Don't miss out! Space is limited, and spots will fill quickly. Submit your application starting February 3, 2025.

Pre-Workshop Online Curriculum (April 8):

Pre-Workshop Online Curriculum (April 8):
Get started with 24+ hours of engaging content, including:

- Introduction to FAA regulations and operating limits
- Weather and micrometeorology essentials for flight planning
- UAS care, performance, and maintenance best practices
- Study strategies for the FAA Part 107 exam
- Drone types, certifications, and data collection software

Included in Your Bootcamp Experience:

- Bootcamp T-shirt
- Housing and meals during the workshop
- Access to expert instructors, networking opportunities, and resources

This workshop is free to participants and is funded by the NSF Grant #2247777.

Hands-on Workshop (May 13-14, 2025)

Join us for two full days of interactive learning:

- Practice flights at dedicated stations
- Flight planning, pre-flight preparation, and data strategy sessions
- Guest speakers from industry leaders sharing valuable insights
- Real-world project discussions and collaboration

Post-Workshop Experience:

Complete a capstone project aligned with your employer's objectives and share your results during the **Virtual Showcase** on June 17.

Registration Form for Bootcamp

Spots for the bootcamp are limited and will be filled on a first-come, first-served basis.

WILL YOU BE ABLE TO COMPLETE THE PRE-CONFERENCE ONLINE WORK AND ATTEND THE CONFERENCE WORKSHOP? BOTH ARE REQUIRED. *
