

GUIDELINES:

1. Final exams are scheduled based on your regular class meeting times.
2. All exams should take place in your regularly scheduled classrooms.
3. The following courses will **not** follow the standard final exam schedule. Instead, instructors will schedule the final exam during the last class meeting before finals week or arrange a specific time:
 - 1- and 2-credit courses
 - IVN/TEAMS classes
 - Classes that begin after 4:00 PM
4. For any course listed as “TBA” in the class schedule, the final exam will be given during the last scheduled meeting or at a time set by the instructor.
