Subject: Blackboard Access

Hi everyone,

Students can login to Blackboard by going here: blackboard.ndus.edu (Your username/password will be the same login as your Campus Connection login.)

If anyone runs into issues with usernames/passwords, please contact Jacob at Jacob.p.nelson@dakotacollege.edu and he can reset your password. If you have any questions about Blackboard, please contact Stacy at 701-228-5623 or at stacy.allard@dakotacollege.edu.

We also have a [Blackboard Student 101 course](#) that you can self-enroll in. This provides additional information/resources for the tools available in Blackboard.

Please let me know if you have any questions.

Thank you.
