Due Date for Incomplete Coursework Extended

To provide additional flexibility to students due to the COVID-19 pandemic, the due date for completing coursework in which students received an Incomplete (I) grade has been extended from June 18, 2020 to September 15, 2020. However, the basic policy for Incomplete grades remains as described in the college catalog:

“Incomplete grades (I) are assigned only to students who have been in attendance and performed satisfactory work up to a time within three weeks of the close of the semester, and whose work is incomplete for reasons acceptable to the instructor. Students are responsible for removing incompletes from their record.”

For those students who plan to graduate as the end of Spring Semester 2020, an incomplete grade will not hold up graduation. Students can participate in the virtual graduation ceremony and an official certificate or degree will be sent once the incomplete courses have been completed.
