Health Considerations *(Please Read and Initial Acknowledgement)*

Study and travel abroad involves significant adjustment to a new culture, school, and community, which often causes physical and emotional stress. If you have a physical or psychological condition for which you are currently receiving treatment, or have received in the past, the demands of this program might exacerbate those conditions, even though they may be under control at home. It is important that you discuss your possible participation in a study abroad program with your physician or counselor, including how off campus study could affect your medical condition. Addressing your health issues prior to studying abroad will also help you to identify those resources that will and will not be available at your program site.

VII. Program Agreement and Liability Waiver

Please read the following sections carefully as they affect any rights you may have if you are injured or otherwise suffer damages on a DCB Photo Study Abroad Program.

Dakota College at Bottineau, its agents, affiliates, officers, directors, staff, regional and local representatives (collectively “DCB”) and the undersigned participant, understand and agree to the terms and conditions stated in the below Agreement relating to the participation in DCB’s Study Abroad Program (“Program”). Students and other participants are referred to collectively as the Participants (“Participants”).

A. Code of Conduct: I understand and agree that, as a participant in a DCB Study Abroad Program, I am subject to the student conduct regulations described in the Student Handbook (available from the student services office, and on the internet at http://www.dakotacollege.edu/files/6914/4051/1685/DCB_Residence_Life_Handbook_15-16.pdf). I further understand that, if I am attending a foreign university as part of a DCB Study Abroad Program, I am also subject to the conduct regulations of the host institution. Furthermore, I understand that as a DCB Study Abroad Program participant, I will be viewed as a representative of my country and my university. It is my intention to act as a good-will ambassador and conduct myself in a fitting manner.

B. Laws of the Land: I understand that as a U.S. citizen in a foreign country, I will be subject to the laws of that country. I agree to conduct myself in a manner that will comply with the regulations of my host country and the United States of America. If I should fall into legal problems with any foreign nationals or government jurisdictions of the host country, I will attend to the matter personally with my own personal funds. It is further understood that DCB may be limited in its ability to provide assistance in the event of arrest and may also institute disciplinary proceedings.

C. Program Activities: I agree to participate fully in all portions of the program and agree that any deviation I will make from the program design must be approved in advance in writing by the DCB Study Abroad Program or the on-site program director.

D. Academic Standards: I acknowledge and understand that I am responsible for maintaining an adequate standard of academic work while abroad. I am also responsible for communicating with my instructors and course work for all classes I miss while traveling abroad.

E. Disciplinary Procedures/Program Dismissal: I acknowledge that DCB has sole discretion to terminate or limit my participation in the program if: (i) I engage in actions endangering to myself or others; or (ii) my conduct is considered to be detrimental or incompatible with the best interest and welfare of the program. I further agree that, if expelled from the program for such reasons, I will be responsible for all expenses incurred in returning to the United States.

F. Financial Obligations: I acknowledge that information regarding the financial nature and the cost of the program has been provided to me and I guarantee that all financial obligations will be met.

G. Independent Travel: I agree to notify the DCB Study Abroad Program, or the on-site program director (in the case of a faculty-led program), if I am planning to embark upon individual travel during the program. Where possible, I will provide the director with details of the proposed trip including plane, bus, and train schedules. I understand that I am responsible for any additional fees incurred due to independent travel.

H. Modification/Cancellation: I understand that DCB reserves the right to cancel programs in the case of insufficient participation or for other reasons deemed appropriate. DCB also reserves the right to make changes to the program or alterations in the program’s proposed schedule and itinerary. I further understand that should the program, or any portion of the program, be cancelled, DCB shall have no responsibility beyond the refund of all deposits made and monies paid to DCB by participants. Minor alterations in the programs will not result in refunds. I agree that neither DCB, the State of North Dakota nor the employees or agents of either, shall be responsible or liable for any expenses or losses that I may sustain because of program modifications or cancellation.

I. End of Program: I understand that any responsibility that Dakota College at Bottineau has for participants on a DCB Study Abroad Program terminates once the program is finished.

J. Dissimilarities or Differences in the Host Country: I understand that study abroad program participants are expected to make every effort to adapt to the culture and lifestyle of the host country. There may be significant cultural, economic, and lifestyle differences between the participants home country and host country including those in health care services, living conditions, transportation systems, educational systems, criminal justice, civil liberties, customs, values and acceptable behavior with regards to age and gender. I realize that participants on a DCB Study Abroad Program must make themselves aware of and accept these differences as part of the program, and accept the risks associated with traveling and living in another country. I understand and agree that participants must take responsibility to educate and prepare themselves for the inherent risks associated with foreign travel and living abroad.

In addition, I understand that participants on a DCB Study Abroad Program must be willing to learn about their host cultures and be open to new ideas even though they may be culturally challenging. I am aware that it is both inappropriate and culturally insensitive to use the program as a time to promote religious or political agendas; further, such behavior can cause offense and potentially place me in harm's way. I understand that, while the United States respects the right of freedom of expression, this is not a universal right and may not be protected by law in some countries. Consequently, I will demonstrate a respect for the host culture even though I may not agree with all aspects of that culture, and I understand that behavior that is inconsistent with this statement may lead to my removal from the program.

K. Insurance: I understand that international travel insurance coverage is a requisite for participation in a DCB Study Abroad Program. Therefore, I agree to purchase a comprehensive international travel insurance policy for the duration of my program that will cover medical expenses abroad, emergency medical evacuation, repatriation of remains, and accidental death and dismemberment. I agree to familiarize myself with the coverage, exclusions and limitations of my travel insurance policy before the start of the study abroad program to determine what activities are excluded from coverage. I understand that policies may not cover pre-existing conditions, injuries resulting from driving motorized vehicles, certain categories of sports injuries, injuries resulting from the commission of a crime, self-inflicted injuries, or injuries sustained from participation in high-risk (extreme) sports.

L. Waiver of Liability and Hold Harmless Agreement: As a condition of my participation in a DCB Study Abroad Program, I do hereby, for myself, the members of my family and spouse if I am alive, and my heirs, assigns, and personal representatives if I am deceased, acknowledge and assume the risk of participation in the program and do hereby RELEASE AND FOREVER DISCHARGE the State of North Dakota, State Board of Higher Education, Dakota College at Bottineau, and all their officers, faculty, or employees, any cooperating institution and agents (hereby referred to as "Releasees") whether accompanying said program or otherwise, from any and all claims, demands, actions or causes of action on account of any injury to me or my property or on account of my death which may occur from any cause during the said study program, or any continuances thereof; and I do hereby expressly covenant and agree to refrain from bringing suit or proceedings at law or in equity or otherwise as provided by law, against any of said bodies or persons on account of any and all such claims, demands, actions or causes of action.

I further AGREE TO INDEMNIFY AND HOLD HARMLESS THE RELEASEES from any loss, liability, damage or cost, including court costs and attorney's fees, that they may incur out of my participation in the DCB Study Abroad Program including, but not limited to: (i) any incident beyond the Releasees' reasonable control, including, without limitation, force majeure, crimes of violence, acts of terrorism, natural disasters, acts of war, or government actions and restrictions; (ii) risks associated with foreign travel and living abroad, including but not limited to risks associated with health care, sanitation, transportation, crime, justice, legal systems, customs, and values; (iii) any differences in the living conditions and standards between my home and home country and the host country.

IN SIGNING THIS RELEASE, I ACKNOWLEDGE AND REPRESENT THAT I have read the foregoing Waiver of Liability and Hold Harmless Agreement, understand it and sign it voluntarily as my own free act and deed; no oral representations, statements, or inducements apart from the foregoing written agreement have been made; I am at least eighteen (18) years of age and fully competent (if not eighteen, my parent(s) or guardian(s) agree with the terms of this document and sign it as such); and I execute this Release for full, adequate and complete consideration fully intending to be bound by same.

M. Arbitration and Venue: I agree that, should there be any dispute concerning my participation in the program that would require the adjudication of a court of law, such adjudication will occur in the courts of, and determined by the laws of, the State of North Dakota.

N. Severability: I concur that in the event any clause, sentence, term or provision of this Agreement shall be held by any court of competent jurisdiction to be illegal, invalid or unenforceable for any reason, the remaining portions of this Agreement shall remain in full force and effect.

O. Signature: This agreement represents my complete understanding with Dakota College at Bottineau concerning DCB's responsibility and liability for my participation in the Program, supersedes all previous or contemporaneous understanding I may have had with DCB on this subject, whether written or oral, and cannot be changed or amended in any way without my written consent.

P. FERPA: I understand there will be a variety of students in this course, including students taking the class for credit, community education students taking the class for no credit, and students from different states and countries.
