

ASSOCIATE OF SCIENCE

# COMPUTER INFORMATION SYSTEMS

## Start small...go far with Dakota College at Bottineau.

If you enjoy working with computers and figuring out how things work, an Associate of Science in Computer Information Systems is for you. Computer information systems is a growing field that allows graduates to work with companies' IT systems, analyze issues within the systems, and ensure all systems are kept up to date and working well. While working towards this degree, students will take classes in computer science, statistics, information security and economics. These classes will equip students with strong computer skills and teach them to perform such tasks as developing software or computer support.

## Why study computer information systems?

Graduates with a degree in computer information systems often pursue careers in business, management, computer support, or computer systems analysis. Since computers are a huge part of business, a degree in computer information systems will lead to many job opportunities. The skills you acquire while working towards this degree will be beneficial to employers making you an ideal candidate.

## Career choices

- Application analyst
- Data analyst
- Information systems manager
- IT tech support officer
- Systems developer
- Cybersecurity analyst
- Database administrator
- IT consultant
- Systems analyst

## General education requirements

These required classes will allow you to transfer to a four-year university.

## Core CIS classes

You will study computer science, operating systems, elementary statistics, economics, management, and information security.

*“I enjoy the small class sizes at DCB. It allows me to receive one-on-one attention from all of my instructors.”*

— Zach Garret  
Creighton, SK

## COURSES REQUIRED

### Computer Information Systems (AS)

<b>Freshman Year</b>	<b>Fall</b>	<b>Spring</b>
CIS 212 MS Operating System Client .....	3 cr	
CSCI 101 Intro. to Computers .....	3 cr	
CSCI 160 Computer Science I .....	3 cr	
ENGL 110 College Composition I .....	3 cr	
MATH 103 College Algebra.....	4 cr	
CSCI 161 Computer Science II .....	3 cr	
ENGL 120 College Composition II.....	3 cr	
MATH 210 Elementary Statistics .....	4 cr	
Laboratory Science .....	4 cr	

<b>Sophomore Year</b>	<b>Fall</b>	<b>Spring</b>
ECON 201 Principles of Microeconomics.....	3 cr	
MATH 165 Calculus I.....	4 cr	
Art/Humanities Elective .....	3 cr	
Laboratory Science .....	4 cr	
Wellness Elective .....	1 cr	
BADM 202 Principles of Management .....	3 cr	
CIS 147 Principles of Information Security.....	3 cr
