

CHLOE BURT — BUILDING MEMORIES **THAT WILL LAST A LIFETIME**

Dear FNAME,

I want to let you know how grateful students, like myself, are for the support alumni donors provide to Dakota College at Bottineau. I graduated from DCB in the spring of 2022 with great memories of my time on campus.

One of my favorite experiences is playing goalie for the LadyJacks Women's Hockey team during its inaugural season. We made it to the 2022 American Collegiate Hockey Association D2 National Championship tournament in St Louis, Missouri, where we were first runners up. It is an amazing achievement for a brand-new athletic program! I know Coach Loucks will do an exceptional job maintaining this team's legacy.

Thanks to donors like you, I received academic scholarships that made higher education more affordable for me. I was named to the Dean's List three of my four semesters, served as the Vice President of the PTK Honor Society, and participated in the Honors Program as well as Student Senate. I cannot say enough about the advantages that being a part of Honors Program and PTK gave me when it came to transferring to a larger school to continue my education.

My academic transcript is outstanding thanks to the research opportunity I had at DCB. I received an Excellence in Science-Biology Student Recognition Award for my research project "Tracking Ancestral DNA in Current Genomes." I have processed genes, as well as separating and extracting DNA. I feel very blessed because many students at other schools do not get an opportunity for hands-on lab work at the level DCB provides, as well as the support from my professors.

Currently I'm pursuing a bachelor's degree in Biology and playing hockey at a D1 school in Michigan. I appreciate my time in Bottineau even more

THANK YOU FOR YOUR PAST SUPPORT OF DCB.

You make DCB’s academic programs, access to amazing professors, athletics, college organizations, and scholarships possible.

now that I am at a much larger school. I was able to get to know everyone on DCB’s campus. I stay connected with my DCB advisors and professors. After having two years of daily contact with DCB faculty, I truly consider them family. The one-on-one attention students receive is something special that makes the school stand out.

I was honored to be selected the 2022 Smokey’s Queen and serve as the Commencement Speaker during graduation in May. Attending DCB truly set me up for future academic and athletic success. I’m confident you can relate when I say I’ll never forget my time in Bottineau or the people I met there. I believe the friendships I made will last a lifetime.

And thank you for believing in me and all the other students who attend your alma mater.

With immense gratitude,

Chloe Burt
