Summer 2013  
Dakota College at Bottineau

## Course Syllabus

*Keep this syllabus for reference throughout the semester*

<b>Course Title:</b> Pre-Professional Experience	<b>Instructor:</b> Madison Junker
<b>Course Prefix/Number:</b> EC 211	<b>Office:</b> Th 1109
<b>Class Location:</b> Online	<b>Office Hours:</b> n/a
<b>Lecture/Lab Schedule:</b> Online	<b>Instructor Contact Information:</b> <i>Phone:</i> 701-228-5604  <i>Email:</i> madison.junker@dakotacollege.edu
<b>Credits:</b> 2 credits	
<b>Pre-/Co-requisites:</b> None	

### Course Description:

This course emphasizes the importance of skillful observation when planning appropriate activities and experiences for children. In addition, the course explores the use of informal and formal assessment strategies to plan and individualize activities and lessons and the use of assessments for determining the ability level of children.

### Relationship to Campus Theme:

The goal of the Paraeducation Early Childhood program is to prepare professionals to work as an early childhood professional and provide an educational continuum for degree advancement. The paraeducator program is committed to hands-on learning and uses field experiences early childhood settings as common instructional techniques.

### Goals/Objectives:

Upon completion of this course, student will:

- Observe children of various ages noting the stages of physical, cognitive, and social/emotional development
- Utilize formal and informal assessments to plan appropriate activities and individualize for special needs
- Use and interpret assessment instruments to determine the ability level of children representing "at risk" populations.

**Grades:** *Grades are earned through points and converted into a percentage. Percentages are calculated by dividing the total points earned by the total points possible. Grades are assigned to percentages as follows:*

Percent	Grade	
90-100%	A	Target
80-89%	B	Acceptable-high
70-79%	C	Acceptable-low
61-70%	D	Unacceptable
0-59%	F	Unacceptable

### **Academic and Institution Policies:**

#### Academic Integrity

The academic community is operated on the basis of honesty, integrity and fair play. It is the expectation that all students, as members of the college community, adhere to the highest levels of academic integrity. This means that students are responsible for submitting their own work. Student work must not be plagiarized. Students must not cooperate on oral or written examinations or work together on valued assignments without authorization. Students should have high ethical standards and conduct themselves in an appropriate manner.

View the *Plagiarism Tutorial-Pearson Education* to learn more about plagiarism, citing sources, etc.

#### Confidentiality

The experiences or problems shared by classmates during meeting time are not to be discussed outside of class. This is preparation for those going into a helping field where confidentiality is stressed in the CEC Standards for Professional Practice.

#### Disabilities and Special Needs

Please inform the instructor within the first week of classes if any assistance is required due to disabilities or special needs. If you have a disability for which you need an accommodation, contact the Learning Center to request disability support services. Phone: (701)228-5477; Toll-free: 1(888)918-5623

#### Quality of Work

At the college level of learning, it is expected that all work submitted is free of spelling, grammar and punctuation errors. Participation in the course is expected and taken into account when determining course grades. Discussion and information must be thought-out, in-depth and incorporate new vocabulary and concepts learned during the course.
